Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Powell County Health Services Construction project in fiscal year 2027. The entity to receive funding for this project is the Powell County Fiscal Court located at 525 Washington Street Stanton, KY 40380.

The funding would be used to construct a new, modern facility for the Powell County Health Department to replace an outdated building that no longer meets operational and space requirements.

The project is an appropriate use of taxpayer funds because it would directly benefit county residents and the broader region by enhancing emergency preparedness and improving access to health services.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
