Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Clark County Sanitary Sewer Expansion and Improvements project in fiscal year 2027. The entity to receive funding for this project is the Clark County Fiscal Court located at 34 South Main Street Winchester Kentucky, 40391.

The funding would be used to extend sanitary sewer to several hundred unserved residents in Western Clark County and retire 2 wastewater package treatment plants.

The project is an appropriate use of taxpayer funds because it would provide more reliable sewer service, decrease contamination of the ground surface, and encourage economic development in the area.

This project has a federal nexus because it is for the purposes authorized the in Clean Water Act, 33 U.S.C. 1383(c) (Section 603(c) of the Clean Water Act).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
