Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Bourbon County-Nicholas County Joint Industrial Park Improvements project in fiscal year 2027. The entity to receive funding for this project is the Bourbon County Fiscal Court located at 301 Main Street Paris, Kentucky 40361.

The funding would be used to fund continued site grading and earth work, along with construction of a sanitary sewer line and a pump station, to advance a priority development site jointly supported by Bourbon County and Nicholas County.

The project is an appropriate use of taxpayer funds because it would provide measurable economic benefits for the citizens of both Bourbon County and Nicholas County.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
