March 23, 2023

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Northern Scott County Sewer Improvements in fiscal year 2024. The entity to receive funding for this project is Scott County Fiscal Court, located at 101 East Main Street PO Box 973, Georgetown, KY 40324.

The funding would be used for planning and design funds to be used toward pre-construction items including but not limited to planning, survey, design, permitting, easement/property acquisition, legal and funding support services. The project is an appropriate use of taxpayer funds because the current/existing collection and conveyance infrastructure does not have adequate capacity to continue to support anticipated growth in this area. Improvements to multiple pump stations and force mains are needed to support long-term needs, compliance with environmental protection regulations, and economic development opportunities for northern Scott County.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Andy Barr".
