The Honorable Andy Barr  
United States Congress  
2430 Rayburn House Office Building  
Washington DC 20515

Dear Congressman Barr:

This letter of support is written on behalf of the City of Lawrenceburg and their application for Community Project Funding for fiscal year 2022. This project is critical to protect the public health of the citizens of Lawrenceburg. If awarded, the funds would also allow the expansion of sanitary sewers to residents on small lots with failing septic systems.

Your consideration of this greatly-needed funding is appreciated. On behalf of myself and the residents of the Lawrenceburg community, thank you for your time and attention to this matter. If I can answer any questions you may have, or if I may be of assistance in this regard, please feel free to contact me.

Sincerely,

James A. Tipton  
State Representative
