Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Stanton Water and Sewer Improvements in fiscal year 2024. The entity to receive funding for this project is The City of Stanton located at 98 Court Street, Stanton, KY 40380.

The funding would be used for funding for the reduction of infiltration and inflow in the sewer system and make improvements to the water system as a whole. The project is an appropriate use of taxpayer funds because the reduction of infiltration and inflow will increase capacity for industrial and commercial expansion. Additionally, it will prevent rate increases that may deter future industries/businesses from locating in Stanton.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
