Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Design Phase - Northeast Rural/Urban Roadway Improvements Project in fiscal year 2024. The entity to receive funding for this project is the City of Georgetown, located at 100 North Court Street, Georgetown, KY 40324.

The funding would be used to address numerous infrastructure, traffic, and safety concerns where the highest concentration of commercial and industrial growth occurs. This would provide a tremendous financial boost to residential, commercial, and industrial users by creating a more successful and livable community. The project is an appropriate use of taxpayer funds because it will provide safe and efficient commutes, for both the business and residential sectors.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133(b) (Surface Transportation Block Grant Program).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Andy Barr".
