Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the US 60 West Infrastructure Extension in fiscal year 2024. The entity to receive funding for this project is the Montgomery County Fiscal Court located at 44 West Main Street, Mount Sterling, KY 40353.

The funding would be used to extend public sewer service, provided by Mount Sterling Water and Sewer, to the Mount Sterling – Montgomery County Airport for economic development and to over 250 residences and businesses in the community of Reid Village. The project is an appropriate use of taxpayer funds because it will provide public sewer service to approximately 250 residences and businesses, in addition to extending sewer service to the Mount Sterling – Montgomery County Airport that will unlock nearly 45 acres of land for future economic development.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Andy Barr".
