Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Ravenna Stormwater Improvements in fiscal year 2024. The entity to receive funding for this project is the City of Ravenna, located at 620 Main Street, Ravenna, Kentucky 40472.

The funding would be used for mitigating flooding issues in Ravenna by improving stormwater infrastructure. The project is an appropriate use of taxpayer funds because it addresses stormwater and drainage issues that have led to flooding issues for many homeowners in Ravenna. Homeowners report that heavy rain leads to water infiltrating the interior of their homes multiple times per year due to the current state of the stormwater and drainage infrastructure in place.

The project has a Federal nexus because the funding provided is for purposes authorized by section 203 of the Stafford Act (42 U.S.C. 5133), as amended by Section 1234, National Public Infrastructure Pre-Disaster Hazard Mitigation, of the Disaster Recovery Reform Act (DRRA) of 2018.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Andy Barr". The signature is stylized with a large, sweeping "A" and "B".
