April 27, 2022

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Nursing/BioTech Ed: Clark & Distressed KY Counties in fiscal year 2023.

The entity to receive funding for this project is Bluegrass Community and Technical College (BCTC), located at 500 Newtown Pike, Lexington, Kentucky, 40508.

The funding would be used to outfit the BCTC Winchester Campus with state-of-the-art equipment and technology for both Associate Degree Nursing (ADN) and Biotech programs, to bring on board additional faculty and staff to ramp-up these degree programs, and to provide additional needs-based support for students who may require additional academic resources.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Andy Barr".
