Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Scott County: Great Crossings Dam- Low Head Dam Mitigation in fiscal year 2023. The entity to receive funding for this project is Scott County Fiscal Court located at PO Box 973, 101 E Main Street, Georgetown, Kentucky 40324. The funding would be used to construct a rock ramp mitigation solution on the downstream side of the Great Crossing Dam. This will eliminate the low head dam's "boil zone" and improve safety. The Dam has claimed multiple lives during high water events and is challenge and an expense for City and County as it pertains to search and rescue.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Andy Barr".
