Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Flemingsburg Sewer Rehab Phases 2-3 project in fiscal year 2027. The entity to receive funding for this project is the City of Flemingsburg located at 140 Newman Park Way Flemingsburg, Kentucky 41041.

The funding would be used to inspect existing sewer lines, remove roots and debris, and rehabilitate approximately 11,000 feet of pipe using cured-in-place pipe lining.

The project is an appropriate use of taxpayer funds because it would prevent far more costly emergency repairs in the future while helping ensure that the residents of Fleming County continue to have safe and dependable infrastructure for decades to come.

This project has a federal nexus because it is for the purposes authorized in Clean Water Act, 33 U.S.C. 1383(c) (Section 603(c) of the Clean Water Act).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
