Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the City of Irvine Sanitary Sewer Improvements in fiscal year 2024. The entity to receive funding for this project is Estill County, located at 130 Main Street, Irvine, KY 40336.

The funding would be used for the construction of new sewer infrastructure that will support new affordable housing for the elderly and disabled. As well as elimination of additional deteriorating sewer infrastructure. The project is an appropriate use of taxpayer funds because currently there is a limited capacity resulting from the small diameter sewers hindering future developments.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Andy Barr".
