Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Millersburg Road Elevated Water Tank in fiscal year 2024. The entity to receive funding for this project is the Bourbon County Fiscal Court, located at 301 West Main Street, Paris, Kentucky 40361.

The funding would be used for addressing periodic low water pressure due to undersized lines and lack of elevated storage in the area and enabling planned industrial growth in the Millersburg Road Corridor. The project is an appropriate use of taxpayer funds because it addresses water pressure issues that affect 50-70 households and impacts first responders' ability to pump water from the fire hydrants on this corridor.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
