Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Winchester Fire Infrastructure & Response Readiness project in fiscal year 2027. The entity to receive funding for this project is the City of Winchester, located at 32 Wall Street Winchester, Kentucky 40391.

The funding would be used to support critical renovations to Fire Stations #1 and #3, ensuring adequate response coverage and improved firefighter safety.

The project is an appropriate use of taxpayer funds because it would benefit residents, businesses, and regional partners throughout the district by enhancing emergency response services.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
