Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Versailles Road and Utility Infrastructure Project in fiscal year 2026. The entity to receive funding for this project is the City of Versailles located at 196 South Main Street, Versailles, Kentucky 40383.

The funding would be used to tackle the pressing issue of inadequate infrastructure hindering the development of a valuable site in Versailles. Currently lacking road access and essential water and wastewater infrastructure, the site is challenged from a site development perspective, which will hinder the success of the Standardbred Training Facility.

The project has a federal nexus because the funding provided is consistent with purposes authorized in in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Andy Barr". The signature is stylized with a large, flowing "A" and "B".
