Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Hancock Creek Watershed SS Phase I project in fiscal year 2026. The entity to receive funding for this project is Winchester Municipal Utilities, located at 150 N Main Street, P.O. Box 4177, Winchester, Kentucky 40391.

The funding would be used to provide sanitary sewers to the Hancock Creek Watershed and will provide much needed residential, commercial and industrial growth in the western corridor of Clark County. The project is an appropriate use of taxpayer funds because the citizens of Winchester and Clark County will benefit by the ability of the infrastructure to support residential, commercial, and industrial growth.

The project has a Federal nexus because the funding provided is for the purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq. [Clean Water Projects] OR Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12. [Drinking Water Projects].

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Andy Barr

Member of Congress
