Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the New Pumper Truck, Stamping Ground Volunteer Fire Department Project in fiscal year 2025. The entity to receive funding for this project is the City of Stamping Ground, located at 3374 Main Street Stamping Ground, Kentucky 40379.

The funding would be used to acquire a new pumper truck for the Stamping Ground Fire Department. The project is an appropriate use of taxpayer funds because it will directly improve the health and safety of the residents of Stamping Ground and the surrounding area.

The project has a Federal nexus because the funding provided is for purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Andy Barr". The signature is stylized and fluid.
