Dear Congressman Barr:

I am writing in support of the Menifee County Sheriff's Department's request for funding to update and upgrade the security of the Menifee County School District. In the recent years, we have seen the increase of school violence across our country. Due to budget restraints, the children in Menifee County do not have the security they need and deserve.

I am privileged to a member of the Local Planning Committee for the Menifee County Schools and security was brought to the table for discussions many times. It is simply not in the budget to provide what will cost thousands of dollars. This partnership with the Menifee County Sheriff's Office and the Menifee County School District will bring our security measures up to date.

Thank you for considering this project. It is an important need for our community.

Sincerely,

Mayor Edward Bryant
