Congressman Andy Barr  
2709 Old Rosebud Road  
Lexington, KY 40509

Dear Congressman Barr:

I want to personally thank you for your continued support for the people of Menifee County. I am proud to support the Menifee County Sheriff's Office project to provide upgraded cameras and card access to the buildings that house our children.

Having spent most of my career with the Kentucky State Police, I have too often seen the violence that now plagues our school buildings and playgrounds. We must do all we can to protect our children and the staff members that work so hard to provide them with an education.

While our school district has worked within their means to keep our children safe, it is simply not within their financial means to provide these type of security measures. I strongly support the Menifee County Sheriff's Office request for this funding. Please do not hesitate to contact me if you need further information. Thank you for your time and consideration.

Sincerely,
