*Robert O. "Bob" Williams*

**Commissioners**

*Kerry Anness • Missy Banks  
Marvin Isham • Charlie Mattingly*

March 20, 2024

To Whom It May Concern:

It is my pleasure to write a letter of support of the proposal being submitted on behalf of the City of Harrodsburg Police Department's request for funding assistance with the purchase and installation of Panasonic TOUGHBOOKs for their cruisers and an updated record keeping system for the department.

Harrodsburg is currently moving forward with the creation and development of an industrial site. The addition of these items will be a benefit to the residents and businesses in our community, especially as we grow. By installing TOUGHBOOKs in each vehicle for our officers, we will greatly improve the efficiency of our department and record keeping, which will ultimately lead to safer and more proactive policing.

In conclusion, I fully support the efforts of the Harrodsburg Police Department as they seek external funding to support these upgrades to their equipment. Any purchase that can help make our community safer and improve the efficient of our Police Department is a win for our residents.

Sincerely,

*Amber Coyne*  
general manager  
Five Star #4440

It is my pleasure to write a letter of support of the proposal being submitted on behalf of the City of Harrodsburg Police Department's request for funding assistance with the purchase and installation of Panasonic TOUGHBOOKs for their cruisers and an updated record keeping system for the department.

Harrodsburg is currently moving forward with the creation and development of an industrial site. The addition of these items will be a benefit to the residents and businesses in our community, especially as we grow. By installing TOUGHBOOKs in each vehicle for our officers, we will greatly improve the efficiency of our department and record keeping, which will ultimately lead to safer and more proactive policing.

In conclusion, I fully support the efforts of the Harrodsburg Police Department as they seek external funding to support these upgrades to their equipment. Any purchase that can help make our community safer and improve the efficient of our Police Department is a win for our residents.

Sincerely,

*Ducey Maynard, CAO*

March 26, 2024

To Whom It May Concern:

It is my pleasure to write a letter of support of the proposal being submitted on behalf of the City of Harrodsburg Police Department's request for funding assistance with the purchase and installation of Panasonic TOUGHBOOKS for their cruisers and an updated record keeping system for the department.

Harrodsburg is currently moving forward with the creation and development of an industrial site. The addition of these items will be a benefit to the residents and businesses in our community, especially as we grow. By installing TOUGHBOOKS in each vehicle for our officers, we will greatly improve the efficiency of our department and record keeping, which will ultimately lead to safer and more proactive policing.

In conclusion, I fully support the efforts of the Harrodsburg Police Department as they seek external funding to support these upgrades to their equipment. Any purchase that can help make our community safer and improve the efficiency of our Police Department is a win for our residents.

Sincerely,

*Steve Anderson
